## RUM GO

## OVERVIEW

**RUM GO** was G3 placed as a 2 year old in the Jessamine Stakes at Keeneland. Looking back, the winner of the Jessamine was La Coronel, arguably the best 3 year old turf filly in the crop with SW Lull right in front of **RUM GO**, finishing 2nd. She went off form this winter but returned with a huge race at Indiana Grand going one mile on the turf for new trainer Brad Cox in May, earning an impressive 89 Beyer. She came out of the race in top form and after breezing a bullet two weeks later, Brad put her right back in the Wild Applause Stakes (3 ½ weeks later) in New York. The race rained off the turf and the owners wanted to run in the four horse field, she tailed off on dirt as the even money favorite. Sending her back to turf will send her new owners to the winners circle and on to Stakes races this summer.

She earned **89 Beyer**, **7.5 Thoro-Graph**, and **12.25 Ragozin** in her **WIN** on May 31st.

### CURRENT TRAINER – BRAD COX

**Brad Cox** has been on a rapid rise since he started training in 2007. This year alone his horses have won over \$6 million. He has bases in KY, NY, LA, and Arkansas. He has not been labeled for training one type of horse, rather wins at a high percentage with all types. He keeps his horses in excellent condition and would love to have this filly back in his barn for the new owners.

## RACE CAREER OVERVIEW

### JUNE 24TH – WILD APPLAUSE STAKES

*FINISHED 4TH AFTER PROMPTING PACE* – [▶ WATCH RACE REPLAY \(SHE IS #1\)](#)

With the race scheduled for one mile on the turf, **RUM GO** figured to be very competitive in her return to stakes company. Heavy rains forced the race to the dirt, and **RUM GO** was kept in the race even though her trainer thought she had no chance to win. She was made the even money betting choice by the public. She broke fine but was quickly distanced, running like a horse hating the surface. Draw a line through this effort, this daughter of Mizzen Mast isn't one for the mud.

## MAY 31ST – ALLOWANCE

WON BY 2 LENGTHS – [▶ WATCH RACE REPLAY \(SHE IS #6\)](#)

Was given 8 weeks between races after she was moved to new trainer Brad Cox, the clockers raved about her moves in the AM, with the public making her 2-1 off a poor effort at the Fair Grounds. She did not disappoint with a huge turn of foot to win going away. The TDN explained it best:

*“RUM GO graduated second out in her turf debut Aug. 4 at Delaware and ran a third at over 84-1 when stepped up into the GIII JPMorgan Chase Jessamine S. Oct. 12. Filling the same slot behind **TDN Rising Star** Stallion Heiress (Exchange Rate) in the Joseph E. Spanky Broussard Memorial S. Feb. 11 at Fair Grounds, she was seventh when last seen there Mar. 27 in her final start for the Tom Proctor barn. Made the 11-5 second choice in this spot, the gray settled in third behind a runaway pacesetter through splits of :23.59 and :47.56. Inching within two lengths of the front at the top of the far turn, she burst through a seam turning for home and drew clear to score over favored Cha Cha Magic (Mizzen Mast) by two lengths. The winner's dam is responsible for a juvenile Eskendereya filly named Eskenforadrink and was bred to Magna Graduate last spring. Lifetime Record: GSP, 6-2-0-2, \$59,850.”*

## OCTOBER 12TH, 2016 – G3 JESSAMINE STAKES

FINISHED A GAME 3RD – [▶ WATCH RACE REPLAY \(SHE IS #10\)](#)

Was coming off a MSW win at Delaware, but had no love on the tote board in a full field of 12 in the Breeders' Cup "Win and You're In" G3 at Keeneland. She out-ran her odds. She broke well but was inexplicably sent 4 wide on the first turn. She continued to travel 4 wide on the far turn with both the 1-2 finishers saving all the ground inside of her. When the final running started, she was one paced late and tired. Although she was beat 6 lengths, she had a VERY wide trip. According to the Trakus chart below, she covered 47 feet (approx 6 lengths) more than the winner!

## POSSIBLE RACING SCHEDULE

This filly has done all her good running on the turf with her dirt efforts proving she is for sure turf. Not surprising as she is a daughter of Mizzen Mast. Her figures from her win at Indiana in May make her an option for stakes all around the country. We believe she fits from 7F to 9F.

## SPEED FIGURES

### DRF PP'S

Her last turf figure jumps off the page (89). But taken into context, she ran a very solid (75) as a 2yo. After the trainer change and some time, it's easy to see why she got back to her best. Her last dirt number (13) is a throw out race.

## THORO-GRAPH

The story here is the monster (5) effort in the G3 Jessamine. That most likely knocked her backwards as that number would have won the G1 Breeders' Cup Juvenile Fillies Turf. She got trending back the right way at Indiana with her (7.5) before running the (X) back on dirt.

## RAGOZIN

She got down to a very fast (10.25) in her 2yo season. This would be good for G1 turf horses. She fired a (12.25) in her win at Indiana Grand in May. Even the (12.25) would look good in turf stakes around the country. We believe she can get through her 2yo top later on this year.

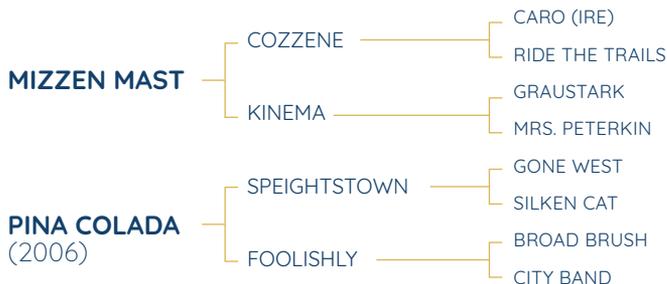

## PEDIGREE

Being already G3 placed really helps carry on this deep family. She is by **MIZZEN MAST** sire of the earners of over \$50 Million. **MIZZEN MAST** is well known for producing top grass runners including Breeders Cup winners **MIZDIRECTION** and **FLOTILLA** (FR).

She is out of the **SPEIGHTSTOWN** mare **PINA COLADA**, a half-sister to the multiple stakes winner **ST LIAMS HALO**, and is from the family of Grade 1 stakes winner **CITY BAND**, the graded stakes winning producers **BANDSTAND** and **STORM TIDE**. Stallion **SHANGHAI BOBBY** appears under the 4th dam.
