CLIFF NOTES

Ready to win N1X: Oozle impressively broke her maiden against open company just 4 weeks ago on June 3rd at Monmouth. She overcame a troubled trip from the start and went on to win comfortably by 2 lengths while earning an **80 Beyer**, proving she was much the best and is ready to face winners.

Perfect Progression: Oozle has only been **off the board once in 4-lifetime starts** and has never regressed in effort. The **strong 6 ½ Thoro-Graph** earned in her last start proves she is capable of winning her N1X condition at any track this summer while also being competitive in a number of Listed Stakes.

Strong Physical: Oozle rolled down the lane in a beautiful 10.0 at OBS April '17 and sold for \$190,000 making her the **HIGHEST PRICED** daughter of Dialed In, the **#1 leading second-crop sire in 2017**, sold that year (avg. \$40,318). Not only does she have a strong physical but she also hails from the family of Graded Stakes winners **SUGAR SHOCK, GUNS LOADED**, and **UNBRIDLED HOPE**.

Maryland-Bred: Oozle is eligible for the lucrative Maryland-Bred program at Laurel and Pimlico. Not only is she awarded a 30% purse bonus against open company at those tracks, but there are also 4 state-bred restricted Allowance conditions per month as well as state-bred restricted Stakes.

LOOKING AHEAD

Oozle continues to **improve in each lifetime start** and turned in her best performance to date in her last out on June 3rd. Based on her speed figures, she is **primed to win the Alw-N1X** condition at any major track and a number of Listed Stakes. A 5-6 Thoro-Graph is a race winning number in Listed Stakes going one-turn for 3 year-old fillies on the dirt. Last year, **Pinch Hit** won the \$100,000 Dogwood Stakes at Churchill Downs with a **5 Thoro-Graph** showing that Oozle isn't far from being highly competitive in the schedule below:
