Stepping up to the **Group 3 level next out**, LADY PANAME earned her **first G3 placing at Chantilly** before going on to run a strong 2nd, beaten only a length, in the Listed Prix Joubert that Autumn. In her final start in France, she found hard luck with a **1-3/4 length loss in the G2 Qatar Prix Chaudenay against males** ([Click to view replay](#)).

After her 3-year-old season, LADY PANAME was purchased by her current connections and sent to America. She **went 2-for-2 in her first two starts for new conditioner CHAD BROWN**, winning an allowance at Belmont by a nose over SW/MG2P SEMPER SENTENTIAE. On the heels of that win, she **took down the \$400,000 G3 Long Island defeating a field of 11 fillies and mares** which included Graded Stakes winners G2W/G1P LADY MONTDORE, MG3W TRICKY ESCAPE, MG3W SI QUE ES BUENA (ARG), G3W POLLARA, and G3W PAMINA.

LADY PANAME takes the G3 Long Island.

PAST PERFORMANCE

Her win in the Long Island was so good, that **not a single horse in the race ran further than she did**, including the 2nd place finisher **who ran 31 feet less than LADY PANAME**, yet she was still able to win going away.

This year, LADY PANAME was forced to run behind a very slow pace over a speed-favoring Gulfstream Park turf course in the G3 La Prevoyante. She ultimately ran 2nd that day, but winner **G2W/G1P MEAN MARY** has proven herself to be a top-class turf filly who has a chance in the G1 Breeders' Cup Filly & Mare Turf. [\(Click to view replay 📺\)](#).

FAMILY

LADY PANAME's sire Soldier of Fortune knows how to produce successful racehorses with the sire having **20 stakes winners led by 6 Group 1 winners**. She also has the female family behind her to both explain her success on the track and point to her **potential as a future broodmare**.

LADY PANAME is out of a young winning Aussie Rules mare named Business Class who has 2 winners from 2 to race. That 2-time winning mare has plenty more to come with **an unraced 2-year-old Kendargent filly and a yearling Dabirsim colt in the pipeline**.

Business Class is a **half-sister to 2 stakes winners** in Inside Man and American Trilogy with 4 of her dam's 5 runners winning a combined 16 races. That's just the start of the success in her family with **each of LADY PANAME's first 5 dams being the dam or granddam of at least one stakes winner**. They are proven producers of winners at all levels with her first 3 dams producing 11 winners of 34 races from 15 runners.

SUMMARY

LADY PANAME has proven herself to be a tough, **consistent performer in 2 different countries at some of the world's most prestigious racetracks** and comes from a family that produces winners. The mare was **consistently hitting the board at the Graded Stakes level in France** while giving G1 winners a run for their money. She **proved to be even better when coming over to the United States** with her only loss coming to one of the best mares in the turf division this year.

By a son of **GALILEO**, LADY PANAME has plenty of **upside as a broodmare** as well. Her **pedigree is the perfect fit for any country** and is only going to get better as the siblings she has in the pipeline start hitting the track in coming years.
