Unlucky to not have broken through yet this season, T D DANCE has run into three stakes quality fields in 2022, including his latest race where he was 3rd beaten a head at Keeneland (Race Replay).

The winner, Camp Hope, is a SW over the Keeneland turf and went off at just 9-1 in the G1 Hollywood Derby in his previous start, while 2nd place finisher Beacon Hill was 2nd, beaten a half-length in the Point of Entry Stakes at Belmont Park in his prior start.

In his prior two starts, T D DANCE was narrowly defeated by G2W Bemma's Boy, G3W Monarch's Glen and SW Cash Logistics, while defeating stakes performers G3W Like the King, SW Invader, SW Cash Logistics, SW Mr. Hustle, G1P Glynn County, G2P Midnight Tea Time, G3P Lucky Curlin, Dyn O Mite, Logical Myth, and Argentello (IRE).

SPEED FIGURES

As noted above, T D DANCE has taken a **substantial step forward as a 4yo**, pairing **(5¹) Thoro-Graph figures** to start his season after ending his 3yo season with a (9) and a (9¹).

T D Dance has shown rapid improvement from 3 to 4 on Thoro-Graph in addition to his jump in Beyer Speed Figures.

To put his new career top in perspective, Clear Vision ran a (5) Thoro-Graph when winning the G3 Tropical Turf at Gulfstream Park earlier this year.

LOOKING AHEAD

With T D DANCE's trending forward, he is liable to be **competitive in stakes & G2/G3 company** throughout the spring and summer, while the **\$141,000 N3X at Churchill Downs will be coming up in the next condition** book after May 15, which would put him 4+ weeks after his latest run.
