## ANNA KARENINE (FR)

Toronado - Ivory Style

## HIP 4165

Selling November 17th

### Past Performances

After running over a distance that proved a step too far for her at Gulfstream Park in March, ANNA KARENINE was able to **steadily improve throughout her season**, never regressing on Beyer and Thoro-Graph, leading to a **career best effort at Saratoga** in July when winning a first-level allowance ([Race Replay](#)). She was eligible for that spot due to her purse earnings in France.

In her previous race at Belmont Park in June, she finished 3rd behind the immensely talented Redefined, who broke her maiden on debut at Belmont and recently **won a Churchill Downs allowance by an easy 3 ¼ lengths**.

### SPEED FIGURES

ANNA KARENINE **improved throughout her 3yo season**, which ended with a strong effort to win a first-level allowance at Saratoga this summer, earning her an extremely impressive **9 ¾ Ragozin** figure. This number is **FASTER than the 10 ¼ that Tony Ann** earned when winning the **G2 Franklin at Keeneland** this fall over 5 ½ furlongs on the turf.

ANNA KARENINE turned a **talented sprinter** this year while winning an allowance at Saratoga this summer with a **stakes quality Ragozin figure**. Diagnosed with bone bruising after that win, she has had two of her three months off and should be good to go with one more month of turnout. **With any improvement in her 4yo season, she should be competitive in stakes company when sprinting on the turf.**
