Manciata d'Oro a winner on DIRT and TURF

### ANALYSIS

Debuting over the turf in May of his 3yo season, **MANCIATA D'ORO** took off on the far turn and into the stretch to **easily break his maiden** going a mile on the turf. Moving to the dirt for his next race, **MANCIATA D'ORO won a first-level allowance by three lengths** over 3-time stakes winner Mowins, taking the race in gate-to-wire fashion.

Running back on the dirt in his third start, MANCIATA D'ORO had the **worst of trips, having to go wide and from the back of the back against a very slow pace**, but still **overcame all of his bad luck to win by a length** over Brigadier General, who has won his next two starts, including a third-level allowance at Keeneland. >>> [Click here to view race replays.](#)

RAGOZIN AND THORO-GRAPH

Thus far in his short career, **MANCIATA D'ORO** has shown the versatility to win on **both turf and dirt**, while also showing the ability to win while setting the pace, or from coming off the pace.

**MANCIATA D'ORO** showed a steady progression on Thoro-Graph through his allowance races before recording an **11 Thoro-Graph** in the Bourbon Trail Stakes that took place over 1 3/16 miles, a **distance that proved too far for him**.

If cut back to a mile, **MANCIATA D'ORO** should be able to continue showing progression and he is likely to keep improving with age.

There is also a third-level allowance for him at Gulfstream over a mile on the dirt on December 22nd.
