ZONA VERDE started her career overseas in Ireland with trainer Ken Condon. She was first seen running 2nd to future G1W RIVER TIBER at Navan and made 4 starts in Ireland before being exported to the US.

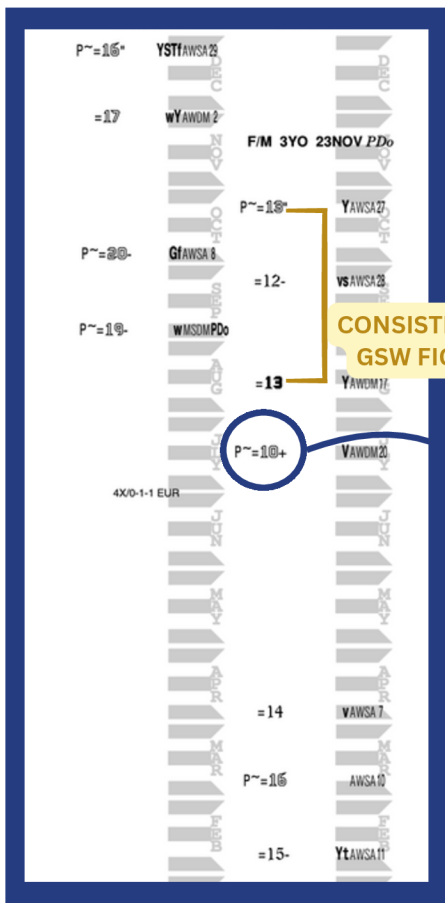

She made her US debut a winning one at the end of the Del Mar meet when getting on firm ground and stretching out in distance to a mile.

Getting back to the Del Mar turf, ZONA VERDE took the field of the G3 Jimmy Durante gate-to-wire, maintaining at least a 1-length lead throughout.

As a 3-year-old, ZONA VERDE has raced exclusively against Stakes/Graded Stakes company and has posted 5 "in the money" finishes from 7 starts. She most recently started on October 27th, when 3rd in the G3 Autumn Miss.
