### PAST PERFORMANCES

**ESCALATION CLAUSE** has shown talent from the start, he was a **\$400,000 OBS March 2YO** purchased by Klaravich Stable. He has **consistently improved** in every race. He had a tough trip in his first start back after a layoff but made up a ton of ground going from 12th to 5th. He ran 2nd last time out, earning a career best **85 Beyer**. He is a tough horse who has been unbothered by being bumped around in the stretch or taking dirt to the face. He is ready to compete in Allowance or Stakes company!
