THORO-GRAPH

ANALYSIS

TEMECULA could look to run back for a high tag next out. While he has run well on dirt, he has several works over the turf which were of some account and so a future start on that surface is not out of the questions.

LOOKING AHEAD

Dec-21	OP	NW2	6F, D	\$160,000
Dec-28	OP	CLM\$50k	6F, D	\$67,000

Possible next starts for TEMECULA include but are not limited to the above. Considering his solid form on dirt, he looks to be a competitive horse for the upcoming Oaklawn meet.
