➤ After running 4th and showing speed around one turn on debut at Ellis Park, **TOUCHDOWN ROCKET** went gate to wire in a maiden breaking win at Indiana, where the 2nd place finisher was nearly 7 lengths clear of the 3rd place finisher.

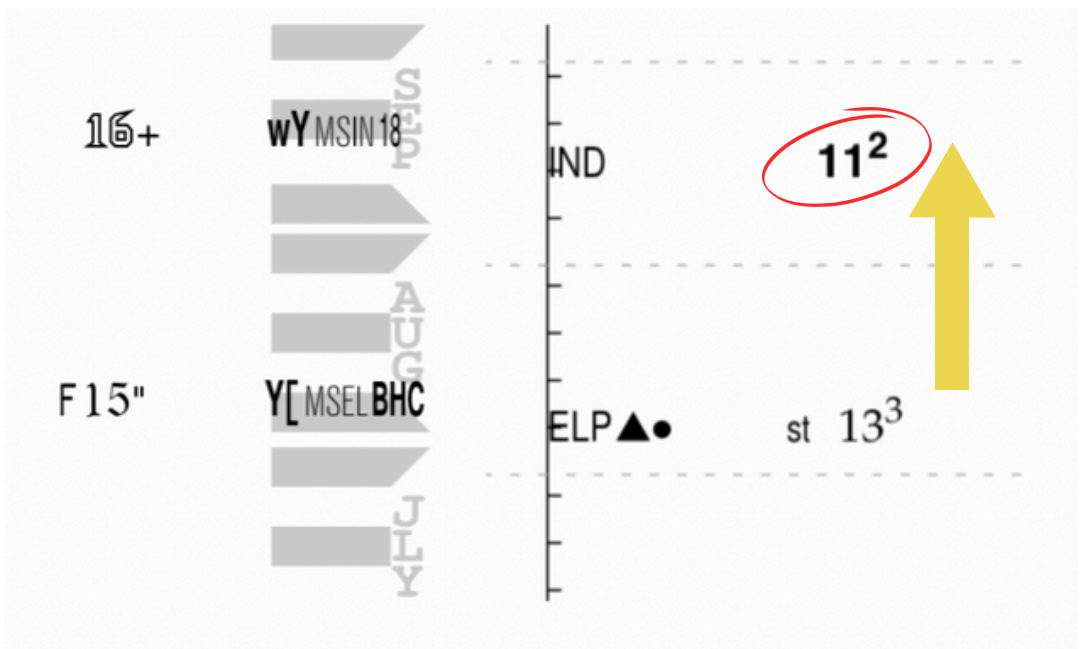

➤ He has been back on the worktab since that race and looks like a great prospect for the Oaklawn or Fair Grounds meet.

SPEED FIGURES

➤ TOUCHDOWN ROCKET has been **consistent on the sheets** through his first two starts, even taking **a step forward from his debut to his second start** on Thoro-Graph, going from a 13 to an 11.

Plenty of options coming up to run Touchdown Rocket this year!
